

# Kidinnu Academy 2020-2021 Registration - Lottery Process

## Admission and Lottery (Public Random Drawing) Process

Kidinnu Academy Charter School (KACS) is open to **all** students who meet the minimum age requirements and reside within the boundaries of San Diego county.

The open enrollment period for the 2020-2021 academic year will begin January 1, 2020, and end March 2, 2020.

**Parents/guardians interested in having their child(ren) attend KACS in 2020-2021 must submit a completed application to the office on or before the end of the day on Monday, March 2, 2020.**

If the number of new students who wish to attend KACS exceeds available spots, admission will be determined by a lottery (public random drawing) with preference given to children

- who are currently enrolled and/or live within the attendance zone of the closest public elementary school within Cajon Valley Union School District (CVUSD)
- who reside within the CVUSD boundaries
- who are siblings of current KACS student
- who are children of Founding Board members and/or current employees.

The lottery will occur within 30 calendar days of the last day of the open enrollment period. The lottery will take place at Kidinnu Academy, 1025 N. 2<sup>nd</sup> Street, El Cajon, CA 92021. Parents do not need to be present for the lottery.

If a lottery is necessary, during the lottery KACS will announce the number of openings available at each grade level. A unique identification number may be assigned to each child's name so that the waiting list can be displayed. The lottery shall continue until all of the identification numbers are drawn. The identification numbers drawn after open spaces are filled will be placed on a waiting list in the order drawn.

As a space becomes available, the parent listed on the Lottery Form will be contacted in the order of the waiting list. The parent will be given seven calendar days to indicate an intention to enroll. If the parent fails to respond or is no longer interested, the parent of the next child on the waiting list will be contacted.

Final offers of admission will be granted upon completion of an in-person registration meeting and submission of all necessary documents, including the child's immunization records.
