School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Kidinnu Academy is a charter school that currently serves grades TK - 4th. We will be expanding to a TK - 5th grade campus in the next year. We currently serve 172 students, 90% of whom qualify for free or reduced lunch and 62% English language learners. At Kidinnu, our school vision is to empower students to acquire, demonstrate, articulate, and value knowledge and skills that will support them, as life long learners, to participate in and contribute to the global world and practice the core values of the school; respect, tolerance and inclusion, and excellence.

We are committed to developing life long learners and promoting academic excellence. To achieve our student goals, we will expose children to hands on, authentic, collaborative learning experiences. We focus on the whole child by promoting social-emotional learning. In order to enhance student learning, we offer small class sizes with increased adult to student ratios. We believe that all children can excel.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

At Kidinnu Academy, we believe that parents are an important part of a child's educational team. We highly value their participation and support. As a school we offer a variety of ways for parents to get involved including our Parent Advisory Committee, English Language Advisory Committee, and School Site Council as well more informal gatherings like Parent Coffee. We also offer a diverse array of school based activities where parents are encouraged to participate. These include literacy, math, and science events as well as classroom volunteering. Unfortunately, due to the global pandemic some of these measures have looked a little different. Nevertheless, we are dedicated to involving parents in every way possible.

Ongoing communication between the parents and teacher is also something we emphasize. All teachers use an online program called Class Dojo to share daily and weekly communication with families. Our staff do everything we can to empower parents to assist their child in excelling.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions			0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0		
Expulsions	0		

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The key elements of the adopted safety plan include the following:

- Levels of emergencies
- Plan implementation
- Planning, communication
- Emergency actions
- Emergency-preparedness procedures
- Responsibilities of staff
- Emergency teams
- Personal preparedness

The school safety plan was last reviewed, updated and discussed with the school board, faculty, and families in August, 2019. We anticipate reviewing the safety plan annually in February/March of each upcoming year.
